2. [REDACTED] stated he had spoken to D/ORD in regard to the questions asked by CSP members on 6 January 1969 on [REDACTED] and his TDY assignment in Vietnam. [REDACTED] felt that it would be to the advantage of [REDACTED] to have a higher grade as this is important overseas, but he felt that this should not be a determining factor. He felt it was more important for the CSP to review the various activities [REDACTED] has been engaged in and how he has performed these tasks. Mr. Chapman stated that this is how he would evaluate [REDACTED]
